Hotel book

Dear guests, welcome to Mariánské Lázně, the youngest member of the world-famous spa triangle. The Belvedere Spa & Wellness Hotel is located in the heart of the "old town" and is one of the most beautiful hotels in Mariánské Lázně. Built in 1838 by the chief surgeon of the Teplá Monastery, Tadeáš Klinger, as a two-story building, it has been known as BELVEDERE since its inception. Over the years, it underwent several extensive renovations and acquired its present form with Art Nouveau elements in 1905. Following a complete reconstruction in 2000 and 2001, the hotel boasts comfortably and modernly furnished rooms and is ready to meet the most demanding requirements of its guests, including the Danish queen.
