

## Cyclists and skiers are welcome in the nearby Ski Resort and Trailpark Klínovec.

The largest ski-connected area in the Ore Mountains - **Klínovec Ski Resort**- offers more than 30 kilometers of slopes of various difficulties, 5 chair lifts (3 of them equipped with protective cover) for a comfortable trip to the top.

In summer you can enjoy the Klínovec Trail Park - 30 km of trails of various difficulties, gently descending through the forests, leading you to the lower chair lift station in Jáchymov, from where you and your bike can both be brought back to the top. The highest mountain - Klínovec - is surrounded by more than 70 km of marked mountain bike trails.

## Unesco

In the 16th century, Jáchymov was one of the most important towns in the Czech Kingdom and became famous mainly for the minting of the silver tolar. **800 years of mining tradition** have left a large number of mining monuments here. Thanks to these monuments and to the entire mining history, the magical mountain landscape was inscribed on the UNESCO World Cultural and Natural Heritage List in 2019.

**Spa Jáchymov was the first radon spa in the world.** The local natural healing water with a high concentration of radon brings extraordinary results in the treatment of diseases of the **musculoskeletal system**.

## Restaurant U Vodopádu

The traditional spa atmosphere is reflected in the glass facade of **the modern restaurant U vodopádu**, underlining the contrast between the rich history of the spa and its current modern design.

The restaurant offers **Czech and international cuisine**, meals are prepared **not only to a high culinary standard**, but also for the visual delight of guests.

The restaurant is available daily for spa guests and the public. The name of the restaurant refers to the sound of mountain water cascading down from the slope at the entrance to the building.

## Spa Center Agricola with the unique complex of mine-themed saunas

The oldest spa building, named after the German scientist Georg Agricola, has been transformed from the original bakery, first into a spa building and later to the current spa center.

It offers a **spacious swimming pool with hot jacuzzis**, **unique complex of saunas built in the spirit of mining**, a salt cave, summer sun terrace and a wide range of healing and **wellness treatments**.

For sporting people there is a gym, and the possibility to join weekend exercises in the outdoor park.
